

Hanging baskets and window boxes are a great way to add an extra splash of colour to your home. We plant around 100 hanging baskets for homes and businesses in the local area every year.

WHAT TO DO NOW...

Fill out the form with the size & type your baskets are and any particular colour scheme you'd like. We can provide new baskets or refill old ones.

If you would like to talk through ideas or receive a quote before ordering please contact our plant team on **01308 422654** or garden@grovesnurseries.co.uk

Once you have decided, drop any existing baskets (labelled and emptied) and your form into us.

We make up your baskets, grow them on for 4 weeks to get them established. The earliest any baskets will be ready is the week commencing **Monday 13th May**.

Let us know if you'd like to collect the baskets when they are finished or if you'd like to have them delivered.

You can pay at the time of ordering or when the baskets are delivered/picked up.

OUR TOP TIPS FOR STUNNING BASKETS!

FEED, FEED, FEED!

The difference between a fantastic display and a mediocre one is ensuring the plants in your baskets get enough food to keep flowering all summer long & into autumn. There are many plants sharing a small amount of soil so they are all hungry.

WATERING

Just like feeding, there are many plants in a small amount of soil so they get very thirsty. If your baskets are in a windy area they will dry out even faster than those in a more sheltered area. On good summers day the baskets may need watering a couple of times a day!

Depending on where your baskets are hung, watering & feeding can be done using a watering can or hose pipe, but if you have lots of baskets or are short on time, you can instal an irrigation system which will automatically water and feed your baskets for you.

If you would like any advice then please don't hesitate to email us: garden@grovesnurseries.co.uk

RIGHT PLANTS FOR THE RIGHT PLACE

Ideally the bedding plants like a sunny, sheltered position. If however you have a shady or windy spot for yours then please let us know on the form so we can choose the appropriate plants for you.

Prices for unusual baskets sizes are available on request. We also have a separate order form for hanging baskets that are for businesses.

Please note that the earliest that any hanging basket will be ready is the week beginning **13th May** due to the risk of frost.

All baskets will be planted up then left to mature in our greenhouses for approx 4 weeks. Once they are ready to go outside we will call you to arrange collection or delivery.

*Please note this service does not include hanging the baskets at your premises
