Coloured uPVC (windows and doors) - Many available such as white, brown, grey. Contact us for more information.	On Request		FREE - Extended Lead Time

Bespoke Options - Replacing existing components

Any changes to a standard log cabin will incur a £50.00 ex-VAT bespoke order charge.

Some changes will also include additional costs, such as:

- Adding doors/windows (costings above)
- Upgrading timber doors/windows to the uPVC styles (costings above)
- Adding additional logs for height (POA)

Some changes will only incur the bespoke order charge, such as:

- Swapping a uPVC window to the shorter/longer style
- Swapping a timber window to the horizontal/landscape style
- Swapping uPVC windows or doors to the timber styles

Delivery

Delivery - UK Mainland ONLY

As standard, delivery will be made using a 26T HIAB vehicle. We will send customers details of this vehicle and the delivery procedure but if there are access problems it is unlikely we will be able to deliver the log cabin on anything smaller. Therefore it is important to advise customers of this when taking an order (we will also advise them again after receiving the order when booking in the delivery).

Delivery is free to mainland UK. However, a number of post codes may come with an extended lead time. These post codes include AB, DD, EX, FK, IV, KW, KY, PA, PL, PH, SA, TQ, TR.

If we are unable to deliver a log cabin due to access issues not advised or if the customer is not in when we attempt to delivery, failed delivery charges may apply.
